

Firework Displays

Wrap up warm and wander down to the shore of the lake for the perfect view of our fantastic firework displays.

When: Tuesday and Sunday at 5.15pm

Location: Around the lake

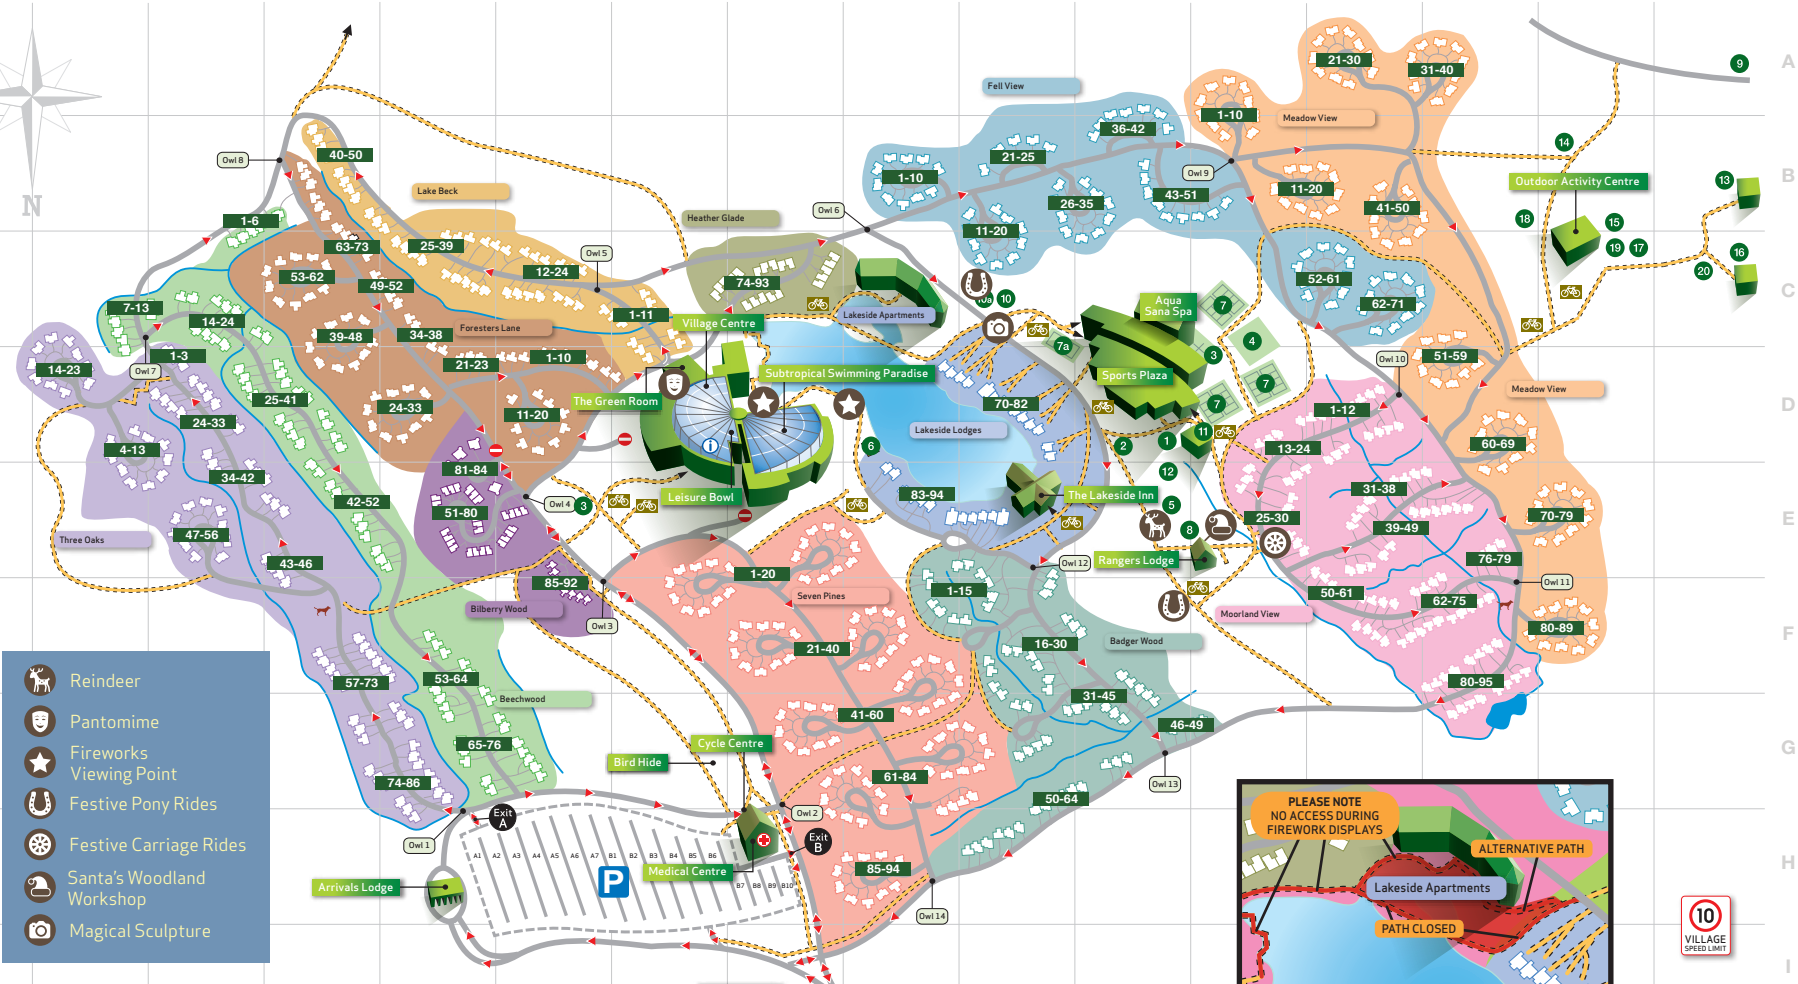

Please note: In case of severe weather conditions, the firework displays may be postponed or cancelled.

Please be aware that whilst the map shows where the viewing points are located, these locations are subject to closure or alteration depending on the wind direction at the time of the display.

For your safety: we are uniquely placed in the heart of the forest and governed strictly by the Forestry Commission on fire control; we must therefore ask guests not to bring their own fireworks, sparklers and sky lanterns on to the Village. Any guest found using these will be requested to leave the Village.

Guests with photosensitive epilepsy are advised that our fireworks displays contain fireworks and lighting features that may produce a stroboscopic effect.
