

Center Parcs Stories

Whether it's exploring the forest from new heights at the Aerial Adventure to cosying up in your lodge by the fire. We want to hear your Center Parcs creative stories and the favourite memories you have made.

Think about the questions below...
What words or pictures come to mind when you think of them?
These can help you write your story!

What did you see?

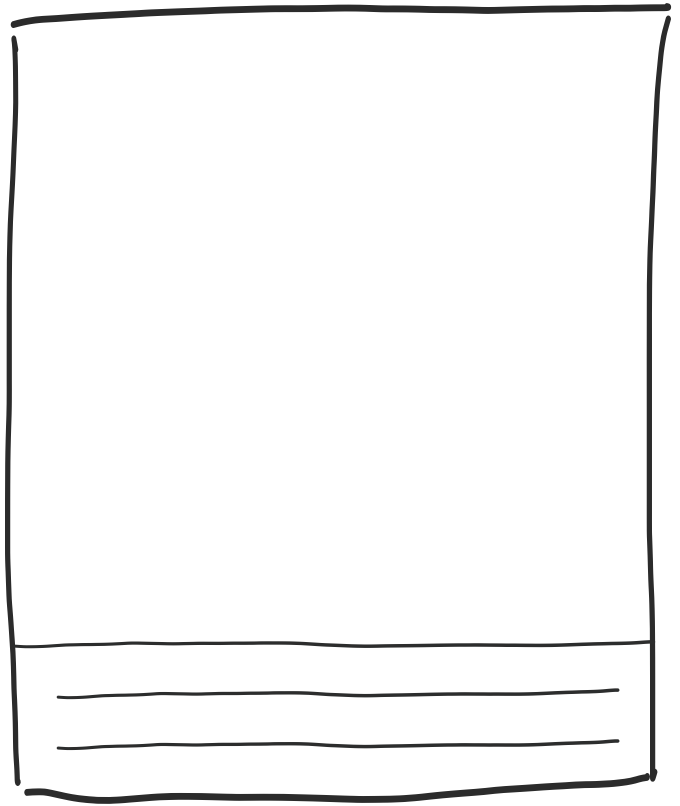

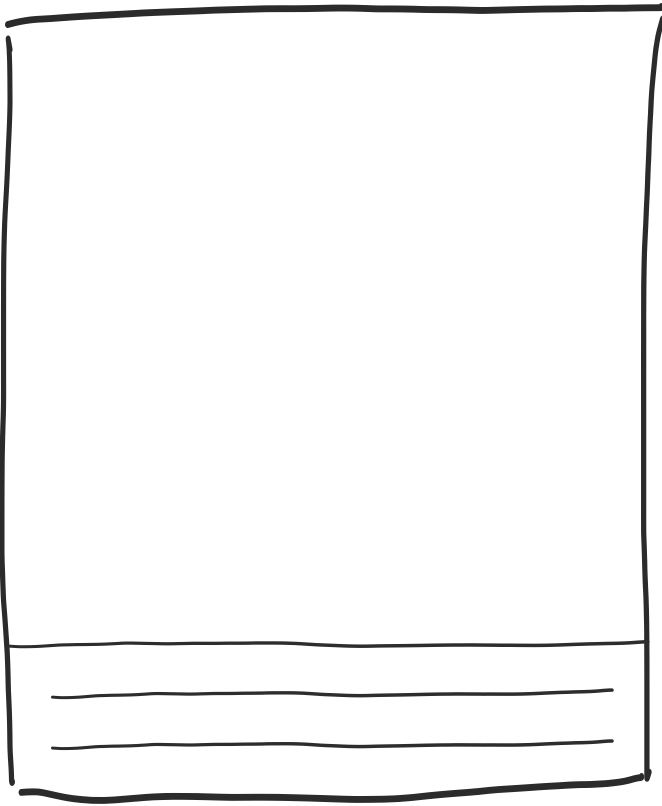

What would you hear?

Close your eyes and imagine your last Center Parcs break

What could you smell?

What was the weather like?

What do your stories look like?
Use the spaces below to visualise them with a short description to help!

What's your favourite activity in the forest?

Draw a picture in the space below, whether your whizzing across the lake on the zipline to taking a walk through the forest with your family, get as creative as you like!

My Center Parcs Story

Use this space to write your Center Parcs story using your inspiration from the previous pages. We'd love it if you then photograph this story and share with us on our social media channels using #MYCP
