Firework Displays

Join us for our spectacular firework display every Wednesday and Sunday at 6pm by the lake.

Festive stalls will be open in the Piazza 3pm-7pm.

Please note: in the case of severe weather conditions, the firework display may be postponed or cancelled.

For Your Safety

We are uniquely placed in the heart of the forest and governed strictly by the Forestry Commission on fire control; we must therefore ask guests not to bring their own fireworks, sparklers and sky lanterns on to the village. Any guest found using these will be requested to leave the village. Guests with photosensitive epilepsy are advised that our firework displays contain fireworks and lighting features that may produce a stroboscopic effect.
